

The Sadducees say in Matthew 22: , “there is no resurrection.” Also, there were some early Christians that were saying the same thing (1 Corinthians 15:12 – 19). This untrue belief led to Paul’s writing of 1 Corinthians 15:20 – 23 and 15:35 – 58. As Christians, we believe, based on the Word of God, that not only is there a resurrection, but that all, saved and sinner will be resurrected. The following table is a list of things that we believe will happen (or has happened) to all people: Saved or Unsaved; Saint or Sinner
